

Remarks

The claims now in the case are claims 37-44. Claims 37 and 42 as added in an amendment filed 8/11/2007 are presently amended to more clearly point out applicants' invention. The remarks pertaining to the substantive rejections submitted in the above amendment apply to the presently amended claims.

In light of the amendments and remarks, it is considered that claims 37-44 are allowable and a notice to that effect is solicited.

Respectfully submitted,

Richard L. Huff
